

Hanging Flower Baskets

PLANTING THE STREETS WITH COLOR

We need your help to plant our streets with color. Each year the streets are lined with colorful hanging flower baskets. The baskets receive numerous compliments and add a special flair to our community. The Twin Town Chamber Ambassadors needs your help to continue the tradition.

The 80 hanging baskets and maintenance of them costs about \$6000 each year. Minn-Dak Farmers Cooperative and the City of Wahpeton have generously provide annual funding and in-kind contributions to the project, but the Twin Town Chamber Ambassadors need more financial assistance to pay for the remaining costs of the flowers, baskets and maintenance/watering costs.

2009 will be the 7th year that the project has been in place and we would like to see beautification projects such as this one continue! The cost to create a basket is about \$75.00.

We are asking for your support. We would like to offer you the opportunity to sponsor a basket in honor of an individual, to memorialize a loved one or to show support from your business or organization. Recognition through media and signage will be given to all those who sponsor a basket.

Thank you for helping us to brighten up our downtown!

2009 Hanging Flower Basket Project

- Yes**, we will help keep the community "blooming" by making a \$75.00 contribution to the Hanging Flower Basket Project.
