

Program Goals

- Gain skills to lead others, your organization and your community.
- Learn from local business and community leaders.
- Acquire tools for effective networking skills, conflict resolution and team building.
- Expand your network of contacts.

Speakers provide learning opportunities on leadership skill building topics and local community leaders share their experiences at the sessions.

Enrollment

- No more than 16 candidates are selected to participate in the program. Selection is based on an application process.
- Cost per participant is \$500.
- One scholarship is available to help defray the program fee.

Twin Town Leadership Program

“Preparing Tomorrow’s
Leaders Today”

Program Partners

Additional Funding Provided by

Mission

The Twin Town Leadership Program strengthens a participant's personal, professional and community leadership potential.

Vision

The Twin Town Leadership Program will graduate leaders annually who are active, knowledgeable and committed to building a progressive community through active alumni, increased technology based delivery methods and broad based community and business support.

I developed knowledge and learned things about my community I didn't know before and I grew up here! I have contacts, leads, sources, connections, I did not have before. I know who I can contact with questions, who has skills and knowledge to help me contribute more to my community, and to continue to develop leadership skills (mine and others).

**Pam E. - Red River Human Services,
2004 Graduate**

program subject to change

I found the Twin Town Leadership program both personally and professionally enriching. Being new to the community I found the information presented on what's here very valuable. The skills building sessions were very helpful to anyone in a formal or informal leadership position. I was so impressed that I recommended that our organization send two people each year as part of our own leadership development.

Ann T. - St. Francis, 2004 Graduate

Sponsorship

★ Red Star Sponsorship—\$600 ★

Sponsoring at the **Red Star** level entitles one person from your business to attend the Leadership Program. You will also receive one bonus ticket to the Program Banquet.
