# Chamber Bucks - Keep it Local

The Wahpeton Breckenridge Area Chamber of Commerce reimplemented the Chamber Bucks program in November 2019. Since that time we have kept over \$40k in our local economy. Chamber Bucks make great gifts for family and friends but also are an excellent choice for employee incentives

We currently have approximately 40 area businesses participating in the program. If you would like your business to be included please contact the chamber office. There is no fee to be included as a participating business.

## Getting Started . . .

- Complete the application included in your membership packet and return it to the Chamber office.
- Familiarize your employees with what a Chamber Buck looks like.
- Accept Chamber Bucks from your customers.
- After you accept a valid Chamber Buck at your place of business from a customer for goods and services, you may go ahead and cash the Chamber Bucks just as you would any check.
