Holiday Keep It Local Promotions

On Saturday, November 27th, shoppers hit the streets of the Twin Towns to support our local small businesses and for a chance to win \$1,000 in Chamber Bucks. Area shoppers simply needed to spend a minimum of \$10 at any locally owned small business in the Twin Towns, write their name and phone on the back of their receipts and bring them to the Chamber office. This promotion was for purchases made on Small Business Saturday only. On Monday, we separated the receipts in to two categories, Wahpeton receipts and Breckenridge receipts. Heidi Genereux won \$500 from the Wahpeton receipts and Terry Nelk won \$500 from the Breckenridge receipts. Over \$16,500 worth of receipts were turned in to the Chamber office for the drawing. That is far more than double the amount of approximately \$7,000 turned in last year.

Our current promotion is selling Keep The Cheer Here numbered buttons. Buy a numbered button at any of the participating businesses for \$10 (\$5 of each purchase will go to the Backpack Program) and get your number entered in to a drawing for Chamber Bucks to be given away throughout the month of December. Get your button number entered extra times by shopping at participating businesses. For every \$20 you spend a local participating business your number will be entered an additional time in to the drawing box. It's easy, just drop your receipts with your button number written on the back at the Chamber office (inside during business hours or anytime in our outside dropbox)! Buy a button for yourself, friends, family, or employees and have a chance to win up \$1,500 in Chamber Bucks.

Keep the cheer here this holiday season. Shop local, eat local, and enjoy local. Support the small businesses that make our community unique and don't forget to turn in those receipts for your chance to win Chamber Bucks to help make your holiday season extra merry.

Salvation Army Bell Ringers

The Salvation Army needs your help more than ever this year! This holiday season, The Salvation Army expects to see a greater need for our services – more than any in recent history. COVID-19 has not only created a bigger need for us to fill, it has also decreased the number of traditional red kettles you're used to seeing on street corners and at store entrances each Christmas season. Money raised in the County will stay in the County. Below are signup links for Wahpeton Econo, Wahpeton Walmart and Breckenridge Econo. With COVID-19, we are asking that ringers are limited to 1 or 2 from the same household. Masks are required, and hand sanitizer and wipes will be provided. We ask that you do your best to social distance, but we know that this may be difficult.

Bell ringers are needed at three locations in the Wahpeton-Breckenridge area: Wahpeton Econofoods, Breckenridge Econofoods, and Wahpeton Walmart. We have a new system this year with scheduling, as we are using SignUpGenius.com. There are 3 different links to sign up:

- Wahpeton Walmart: <https://www.signupgenius.com/go/9040D4AA8A823AIF58-salvation5>
- Wahpeton Econofoods: <https://www.signupgenius.com/go/9040D4AA8A823AIF58-salvation3>
- Breckenridge Econofoods: <https://www.signupgenius.com/go/9040D4AA8A823AIF58-salvation4>

All you need to do is go to the link you would like to sign up with, pick the time slot(s) you would like, then go to the bottom of the page and click signup and submit, then put in your name, email address and telephone number. That's it! You will get a reminder email 2 days before your scheduled time slot to ring the bell. If you signed up for the wrong time or need to cancel, please give us a call at 701-642-7807 and we will take you off the schedule.

If you would prefer someone do the actual scheduling on-line, the people to contact are as follows:

- Wahpeton Walmart: Brett Lambrecht- 701-899-6452
- Wahpeton Econofoods: Jean Freden- 701-640-1641
- Breckenridge Econofoods: Shirley Fox-Trydahl- 701-403-9549

Time slots are in hour increments. We have it open to ring the bell from 9:00 a.m. to 8:00 p.m. The hours of 11am –1 pm and 4pm -7pm are prime time ringing hours at these locations. This would be a great opportunity for individuals to get involved in the community and help this wonderful program.

The Salvation Army is a vital presence in our communities during emergencies, but also helps individuals with emergency assistance throughout the year. The Salvation Army receives requests from many families and we need your help, more than ever, to give that support to local families.

We greatly appreciate any help that is volunteered. If you have any questions, please feel free to contact one of the above-mentioned people. Thank you for your time and consideration!
