Come Celebrate an Amazing 2022

Never a dull moment here at the Chamber. January flew by and now here we are gearing up for our 2022 Annual Meeting on February 9th at noon at the City Brew Hall. Come celebrate an amazing 2022 and hear about all the wonderful things we have planned for 2023. We will also be giving out our annual business awards. Each year we recognize people and businesses in the community that truly make a difference. We will be announcing the winners of the Mark Were Community Service Award, Non-Profit of the Year, Chamber Service Award and Lifetime Achievement Business Award. Candidates for these awards were nominated by other businesses and the public and the winners were chosen by the WB Chamber Board of Directors.

Each year we also recognize the hard work put forth by our Twin Town Ambassadors. The Ambassadors receive points for their contributions throughout the year and we honor the top 3 at the Annual Meeting. Our Twin Town Ambassadors are active in doing business spotlights throughout the year and also for organizing the Mix & Mingle in October.

Thank you to Twin Town Villa for being our Corporate Sponsor for this event and also to Jodi Hendrickson from Edward Jones and Redemption Construction for being Award Sponsors. Your generosity makes events like this possible.

Galentines retail shopping event will be held on Saturday, February 11. Grab your favorite Galentine and head out to participating businesses for some great deals. Each business will be giving away a special Galentines prize so make sure you visit all the businesses for more chances to win.

On Saturday, February 18th the Chamber will host Coffee with Legislators at the Red River Valley Room at NDSCS from 9:00 to 10:30. District 25 representatives will be on hand to answer questions from the public regarding upcoming legislative measures.

To keep up to date on what's going on in the Twin Towns follow our Facebook page or check out our website at www.wbchamber.net. Thank you for supporting the Wahpeton Breckenridge Area Chamber of Commerce and our community.

Join our Team

We are currently looking to add more ambassadors to our group. The Twin Town Ambassadors meet the 2nd Tuesday of each month at 8:30 am at the chamber office. Being an ambassador is a great way to learn more about what is happening in the businesses in our community.

If you would like to join this fun, energetic group and help us celebrate the milestones of our business community, please feel free to contact us and we'd be happy to give you more information.

CHAMBER BUCKS

shop local. eat local. spend local. enjoy local

The Chamber Bucks Program is getting an exciting new update for 2022. Chamber Bucks will now be distributed as an actual check that businesses will be able to deposit and will eliminate the need to request reimbursement from the Chamber office. Watch your email for more details coming soon.

The Wahpeton Breckenridge Chamber of Commerce is happy to offer the Chamber Bucks Program to the Twin Town Communities. The Chamber Bucks Program is designed to keep dollars local. They are great as employee incentives/rewards, giveaways or gifts from friends and family. Anyone can buy Chamber Bucks. They can be purchased at the Wahpeton Breckenridge Chamber of Commerce office in \$5, \$10 and \$20 denominations and used for goods and services at participating businesses in the Twin Towns.

WHERE CAN I USE CHAMBER BUCKS?

Chamber Bucks can be used for products and services at participating chamber member businesses in Wahpeton and Breckenridge. Please scan the QR Code below to view all participating members.

HOW DO I USE CHAMBER BUCKS?

Customers will redeem Chamber Bucks at participating businesses toward a single purchase of equal or greater value. They are not redeemable for cash. After you accept a valid Chamber Buck at your place of business from a customer for goods and services, you may go ahead and cash the Chamber Bucks just as you would any check. This is an exciting change to our program.

WHERE CAN I BUY CHAMBER BUCKS?

Chamber Bucks can be purchased at the Wahpeton Breckenridge Chamber of Commerce office during regular business hours.

HOW DO I BECOME A PARTICIPATING BUSINESS?

To become a participating business, you need to be a member in good standing of the Wahpeton Breckenridge Chamber of Commerce. There is no charge for being a participating business. This program is offered as a benefit of your chamber membership.

BRENDA KLOSTERMAN

ADVANCED FUNERAL PLANNER

Brenda specializes in pre-arranged funeral and cremation planning and provides individuals and families with opportunities to explore their final wishes. She also provides valuable information regarding options to set funds aside for burial and cremation expenses.

Brenda offers the following expert advice:

The first step in planning ahead is organizing your vital information and putting your wishes in writing. Having all of these details in one place – and on file with your funeral professional – is of tremendous assistance to your family. It is a gift of love only you can give.

Your file should include:

- Copies of all important documents such as your life insurance policies, birth certificate, marriage license, and military records. Remember, do NOT keep these copies in your safe deposit box because oftentimes the contents are not available to your loved ones until long after they're needed.
- Important biographical details that will help tell your life story. This information will save your family time and added stress.
- Your preferences for services. Whether traditional or non-traditional, there are many details to consider such as flowers, music, favorite readings or scripture, and casket or urn selection. Besides removing this responsibility from your family, it also gives you the opportunity to design the unique service you want, which can be especially meaningful and healing for loved ones.

The second step is determining your pre-funding options. We plan and set aside funds for many things in life, including vacations and retirement. Why not do the same for the inevitable? Death has no schedule, and it can create the burden of unexpected expenses for family members. Setting aside funds for your funeral arrangements ensures that your final wishes can be carried out while allowing loved ones to focus on their journey through grief.

Brenda can provide you with the information you need to make informed and thoughtful decisions. She is available to meet with business groups, individuals and families by appointment and can be reached by calling her at 701-640-0840.

Medicaid Spend Down & Burial Space Items

Typically, an individual's assets will go toward paying nursing home expenses until their life's savings are depleted. That is when state and federal Medicaid programs begin to pay for a person's care.

THE STORY

FATHER

- 86 years old
- Lives independently at home
- Owns protected assets up to the state's allowable limit.

MOTHER

- 85 years old
- Has four children (all married) and two living siblings
- Requires nursing home care - \$8,000 per month
- Owns \$72,000 in unprotected assets above the allowable asset limit*
- \$72,000 - 9 months of nursing home care

*Medicaid qualification asset limit amounts vary from state to state. We recommend that you speak with an attorney specializing in Medicaid planning to maximize your protected assets before using unprotected assets to fund prepaid burial contracts or burial space items.

How to preserve assets with prepaid burial plans

OPTION 1

Prepaid Burial Contracts – Properly structured irrevocable prepaid burial contracts can be set aside for **each spouse** as exempt assets for Medicaid eligibility.

Prepaid burial contracts may include:

- Services
- Merchandise
- Third-party costs (flowers, death certificates, police escort, food, etc.)

Start with \$72,000 in assets:

- \$10,000 – Father's prepaid burial contract
- \$10,000 – Mother's prepaid burial contract
- \$52,000 – about 6 months of nursing home care

OPTION 2

A qualifying individual's assets can also be set aside for burial space item (BSI) contracts for immediate family members and their spouses, which **helps preserve as many assets as possible for the family.**

Burial space items may include:

- Cemetery plots/cremation niches
- Crypts
- Caskets
- Vaults
- Headstones
- Urns
- Opening/closing of grave

Start with \$72,000 in assets:

- \$20,000 in prepaid burial contracts
- \$52,000 in properly structured prepaid BSI contracts for four children and their spouses and two siblings (\$5,200 each)
- \$0 goes to nursing home care

COME HEAR A MESSAGE OF HOPE AND RECOVERY FROM ADDICTION

"This story is more than just a criminal and a cop. It is about breaking down the barriers our communities face each day. It shows that change is possible, and no matter how far down the hole of addiction and pain we fall, there is hope!"

-Tyler Auck (Ex-Criminal)
