Re: Open Lunches

Date: 08/27/2018

Did you know that our Wahpeton location, which is located at the Wahpeton Senior Center, is now offering an open lunch hour?

How does this work?

Because we know that not everyone is able and ready to eat at 11:30 a.m., lunch will now be served between the hours of 11:00 a.m. to 12:30 p.m. Monday through Friday.

Reservations are required to ensure that we have enough food prepared for everyone that day. You can make reservations by calling 701-642-5746 before 9:30 a.m. the day that you would like to eat with us.

The meals are available to individuals age 60 and older and their spouses, regardless of age, for a suggested donation of \$4.00 a meal.

Still working?

No worries! Because we have expanded our serving times you can come in on your lunch hour! You will be served quickly so that you can get back to work in a timely manner.

**If you would like further info please call
701-642-5746.**
