What's Happening At The Chamber

The Holiday Season is fast approaching. We are busy at the Chamber making plans for all the 2019 Holiday events.

This year we are really excited to be bringing back Chamber Bucks to the Twin Towns. Chamber Bucks can be purchased at the Chamber office in \$5, \$10 & \$20 denominations and can be used at any participating business in the Wahpeton Breckenridge communities. Chamber Bucks make great gifts or incentives for employees. They are treated like cash and can be used for goods or services of equal or greater value. They do expire 1-year from date of purchase. Chamber Bucks are a great way to promote our local businesses, If you'd like more information on becoming a participating business or purchasing Chamber Bucks give us a call and we'd be happy to answer your questions.

The next meeting of the Twin Town Business Partners will be Wednesday, November 6th at 8:30 at the Chamber Office. This group was formerly the Retail Group. There are big things happening and we would like to encourage EVERYONE to attend the meeting and hear our plans for growing the Twin Town business community. We would love your support and ideas. There are lots of events planned for the next few months. Our next event will be Shoppers on the Hunt during opening deer hunting. Participating businesses will be offering deals, steals and giveaways during this 2-day event on November 8th & 9th. There will also be a grand prize giveaway. Thanks to all the businesses that have already signed up. Deadline to become a participating business is November 1st. Contact Lisa at the Chamber office if you'd like to include your business in Shoppers on the Hunt or if you have any other questions about upcoming events or the Twin Town Business Partners group.
